

Today

He Turns

The younger edge of 90

His right knee may be fading

But his taste buds are alive

More Gin!

And if

The stairs

Begin to be a problem

He'll sit in his recliner

play bridge hands in his mind

I smell gin

There be gin

I taste gin

There be gin

Says a good martini is never hard to find

.....

Now in

.....  
his hand

He's got a straight and aces

His poker face shows nothing

But his heart rate's in the sky

Bid High!

And if

you think

he's going to stop at 40

Just hold onto to your round house

and kiss your ass good-bye

Bidding High

To the sky

Bidding High

Always High

He won't even blink at you until it's 45

Now Joe

Baby,

forever sang the same song

He knows it 'cause the second verse is pert near like the first.

Dirty Lil

At our

Delight

he always sang it solo

With animated finish

he snorts and laughs like hell.

Dirty Lil

(hock spit)

Dirty Lil

(hock, spit)

With animated finish he snorts and laughs like hell

And for

his club,

he holds a silent auction.

He holds it in the spring time

Before the month of May

Bid High!

The main

Event

He donates a large party.

It starts off with the limo martinis till you drop

lemon drop

martini

espresso

martini.

His 80<sup>th</sup> surprise when

the kids all stole the bid

For 4

Tee years

He gathered up the family

We started in the Ozarks and then we moved it east,

The beach

For fun

For love

He always grilled the first night

Established the tradition

that we call SML

Charcoal grill

Rarely works

3 inch steaks

Rarely cooked

Grilled steaks as a kick off

makes SML just right

And don't

Forget

His wife of 68 years

She travelled cross the country stood solid by his side

Time to move!

And if

you ask

her why the heck she travelled

She travelled for the five kids

for whom she was Sunshine

Has five kids

(Steve C only) And a Cibor

Has six kids

(Bob only) And an Eshleman

She lived her life for family

because she was Sunshine

You are my Sunshine  
My only Sunshine  
You make me happy  
When skies are gray  
You'll never know, Mom  
How much I love you  
Please don't take my Sunshine away  
Please don't take my Babcia away
